Hi Zoe,

I'm out of the office and just seeing your message. My colleague, Orlando Gonzalez, is our point of contact for Argentina and can respond to your question.

I'll be back in the office tomorrow if I can be of any assistance.

Thanks,

Cam

Hello Cam,

OPP's Senior Science Advisor Anna Lowit will be in Buenos Aires in September and is hoping to meet with government/regulatory agencies on September 18th. Is this something that your team would typically help organize? If not, is there a contact that I should be working with in Argentina that you could connect me with?

Thank you,
Zoe

Jeff & Zoe

I'm in the process of planning a work trip to Buenos Aires in September. I'm giving a few presentations at meetings on 9/19 and 9/20 but was hoping to meet with government people on 9/18. Can you help me get this organized?
